My family and I want to say a big thank you to Stefan Gerber. When we decided to sell our property, for the long time we couldn't choose a realtor who can help us this. Finally when we heard, that Stefan sold a property of friends of ours for 2 weeks, although, others couldn't sell it for 8 months; we were impressed and called him to assist us.

Stefan is a **Professional Realtor** who knows what is happening on the market with all details and latest digits. He participates during showings, even though he lives in West Vancouver and we live in South Richmond. We get immediate feedback after each showing regarding the status of selling. Moreover, Stefan is very enthusiastic about his job, very creative in description of property. He makes pictures of the apartment by himself on the high standards of professional level.

Stefan Gerber **SOLD** our apartment during 1.5 weeks. Everything from beginning was so organized and at the end we got more money that we originally asked.

Thank you Stefan again. It was pleasure to do business with you. We will recommend you to our entire friend at the real-estate matter. We wish you and your family all the best.

Sincerely, Albert Rakchtis and family.
